WE ARE LOOKING FOR PARTICIPANTS to help us make sure that dementia and hearing loss research includes people from 'under-served groups'.

DO YOU HAVE EXPERIENCE OF:

- Dementia or Mild Cognitive Impairment
- Hearing conditions
- Underserved groups (e.g. you are from Black, Asian or minority ethnic groups, LGBTQ+ community, or have multiple health conditions)

TAKE PART IN A FOCUS GROUP:

Join us (online or in-person) in a group discussion about why people from under-served groups are often left out of research and what we can do to change that.

CONTACT:

Clare Burgon, Research Associate
Email: clare.burgon@nottingham.ac.uk
Phone: (reception) 0115 823 2600

Receive a £10 voucher for taking part
